2020 ANNUAL REPORT

Hope anchors the soul.

HEBREWS 6:19

LOREN P.

BROWN

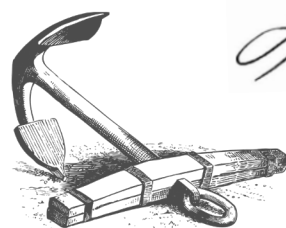

Dear friends,

The theme of this year's Annual Report is "Hope". In the teachings of Christianity, the virtue of Hope has great importance and significance; Christ is the unfailing Hope of all who believe in Him. It is no surprise that the Christian symbol of Hope is an anchor. The anchored cross, or mariner's cross, is a stylized cross in the shape of an anchor and symbolizes Hope, steadfastness, calm, and composure. St. Peter, St. Paul, and several of the early Fathers speak in this sense, but it was the Epistle to the Hebrews that first connects the idea of Hope with the symbol of the anchor. It is said that we have "Hope" set before us "as an anchor of the soul, sure and firm" (Hebrews 6:19-20).

This year has been riddled with obstacles and trials throughout the world. It could be considered by many as dark and bleak. Just as there can be no light without dark there can be no situation without Hope when you have Jesus by your side. As Catholics we are required to have faith and this year has tested that faith tremendously. However, I have seen such acts of kindness and generosity that it gives me Hope. You will read stories that show just how strong we are and how we, as Catholics, will remain strong and steadfast anchored to our faith. I am personally humbled by the donors who reacted and without hesitation to give to the Catholic Emergency Response Fund (CERF) for those needing assistance as a result of the pandemic. This fund then enabled us to quickly support 13 food pantries and 40 parishes in our Diocese. You will read about people, just like you, who gave others Hope in a very dark time.

In addition to the anchor you will also see other nautical symbols throughout the report, such as the lighthouse. Once Jesus said: "You are the light of the world. A city set on a hill cannot be hid. Nor do men light a lamp and put it under a bushel, but on a stand, and it gives light to all in the house." (Matthew 5:14). Be a lighthouse. Be the bright light - the example, that others need to see through the darkness to find their way home to God. And when you are ready, we are here in your charitable planning to ensure light can shine and bring hope for our future generations.

Hope and peace to you,

PRESIDENT & CEO

OUR MISSION

In Christ, The Catholic Foundation inspires giving and assists donors to provide for the long-term needs of the Diocese of Columbus.

OUR FOUR PILLARS

The Catholic Foundation focuses its funding in four pillars of our Catholic faith: Parish Life, Catholic Education & Faith Formation, Social Services and Vocations.

Keeping the Faith

The Catholic Foundation is the only foundation in the Diocese of Columbus that invests your gifts in alignment with the teachings of the Catholic Church. Our portfolios follow the United States Conference of Catholic Bishops investment policies, and we carefully screen all charitable organizations that we fund to make sure they also follow Catholic teachings.

Why Us

The Catholic Foundation ensures Catholics a way to leave their legacy uniquely aligned with their Catholic values and beliefs. Donors enjoy the satisfaction of knowing that their gift directly supports the Catholic organizations that they choose.

Who We Serve

The Catholic Foundation assists donors in creating a meaningful impact through planned giving and charitable fund management. Additionally, the Foundation works closely with the charitable entities that the donors designate as beneficiaries, as well as with Catholic organizations who apply for grants.

BISHOP

BRENNAN

My Brothers and Sisters in Christ:

Truly, it is an understatement that 2020 has been a challenging year for us all. I am profoundly grateful for the support and joy of the people of the Diocese of Columbus. The effects of the COVID-19 pandemic can be found in all aspects of our lives. We remain vigilant in safeguarding our health, the health of our parishioners, those in our schools, diocesan facilities, and wherever we interact with the general public. I am most impressed and encouraged by the quick response of our faithful Catholics who come to the aid of those in need. You have stepped up and helped those financially with giving to the Catholic Emergency Response Fund (CERF) at The Catholic Foundation and have also donated items and volunteered your time at our Diocesan organizations. This year will be judged by many as a bleak time, however, the witness of your faith, commitment, and generosity to our community brings me hope.

Hope is considered one of the three theological virtues in Christian tradition. Hope is a combination of the desire for something and expectation of receiving it, and the virtue is hoping for Divine union and eternal happiness. While faith is a function of the intellect, hope is an act of the will. One cannot have hope without faith. You have given our community both hope, and as a result, have strengthened the faith of so many.

To all of those who have given, I can't tell you how much you are appreciated. For those of you who are inspired and moved to do more, and want to make a gift that will endure long after we are gone, please consider a planned gift to your parish, school, or favorite ministry. This option is easier than ever when you work with The Catholic Foundation and enables you to bring not just hope but faith and change to our Catholic community.

As I approach almost two years in the Diocese, I am truly blessed to serve as your Bishop. I am proud of the work we have already accomplished and stand with you in our journey to share hope and faith to those in the future.

Be assured of my continued prayers.

Sincerely yours in Christ,

Most Reverend Robert J. Brennan

COUNTY GRANTS BY

SCHOLARSHIPS

In 2020, 29 students in the Diocese received awards from 24 scholarship funds at The Catholic Foundation totaling over \$226,000. Scholarships support promising and deserving students by assisting them with the costs of their education. Donors often establish a scholarship to honor or memorialize friends, teachers, family members or other loved ones. Since 2007, The Catholic Foundation has awarded over \$1 million in scholarships empowering over 180 young people to continue their academic and vocational studies. With continued generosity of donors who share this dedication to education, the Foundation will continue to support students as they answer God's call.

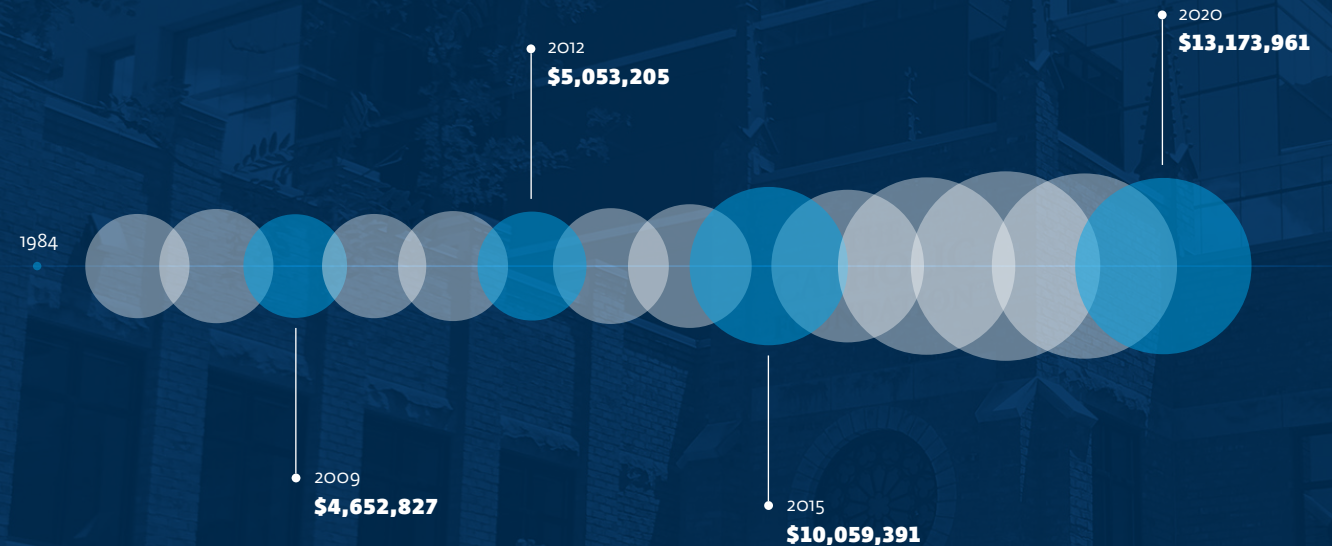

Scholarship funds, such as the T.J. Baesmann Scholarship, serve as a powerful legacy to support and encourage students. This scholarship provides tuition assistance for college to a graduating senior of a Catholic High School in the Diocese of Columbus. The 2020 T.J. Baesmann Scholarship recipient is Andrea Bergman from Bishop Hartley High School. Andrea said, "I am honored to receive this Catholic scholarship because my faith is important to me. This scholarship allows me to further my Catholic education and faith development. I am currently attending the University of Dayton through summer courses online and will continue my education at UD this fall! Go Flyers!"

Dan Kurth, VP of Grants and Community Impact said the scholarship process was a little more difficult this year. "Usually, the scholarship committees deliberate in March. Obviously, the quarantine provided some challenges in the evaluation of the scholarship candidates. However, the committees were flexible and met via Zoom and Skype to make sure that the winners were selected as quickly as possible and the notifications delivered in a timely manner. We are honored to play a small role in impacting the educational life of students within our Diocese."

CATHOLIC EMERGENCY RESPONSE FUND

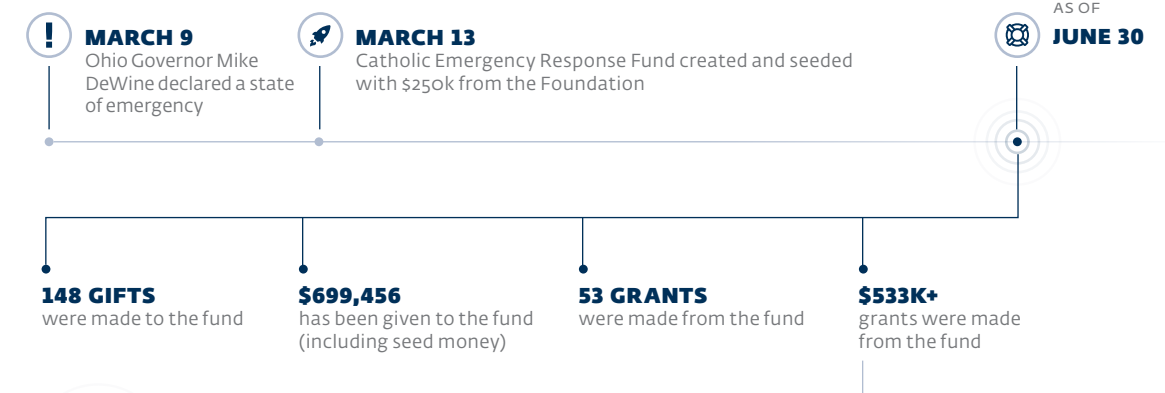

On Monday, March 9, Ohio Governor Mike DeWine declared a state of emergency due to the coronavirus, COVID-19. The unexpected and unprecedented impact of the coronavirus pandemic was felt by every parish in the Diocese of Columbus and especially by its food pantries. As a result, The Catholic Foundation, in partnership with the Diocese of Columbus, established the Catholic Emergency Response Fund (CERF) and seeded it with \$250,000. This fund provided and flexible assistance to parishes within the Diocese of Columbus, that receive financial requests from parishioners due to the spread of COVID-19. This fund also provides financial assistance to food pantries sponsored by the Diocese of Columbus to purchase food and other much needed supplies. 100% of donations go towards helping Catholic parish families and individuals impacted by COVID-19.

CEO and President, Loren Brown, said “It didn’t take long for us to get together, realize we had to do something, and begin thinking of the best ways to help people impacted by the virus. We quickly had a conversation with Bishop (Robert) Brennan who specifically asked us to focus on food pantries as well as our parishioners.”

As of June 30, 2020, over 145 gifts were made to the fund totaling almost \$700,000. Additionally, 53 grants were made to 40 parishes and 13 food pantries totaling over \$533,000. Brown said, “What’s amazing is how fast the money came in at the beginning. Within a couple of days, we were at a half-million dollars. We were able to leverage the seed money, and our Catholic community quickly responded.” Many of the Foundation’s Donor Advised Fund holders stepped up and gave money from their funds to help aid in the Foundation’s response. “Many people wanted to help and didn’t know how. This was a very real, effective, and tangible way that donors could help their fellow parishioners and those in need.” said Brown.

Catholic Social Services (CSS) has served Portsmouth since 1957 and in October 2014, CSS saw an opportunity to provide a much greater service to this struggling but promising community. With the help of Bishop Frederick Campbell and the parishes in the county, CSS opened the doors to a vacated monastery and transformed it into a community center called the St. Francis Center. The St. Francis Center serves Scioto County as a one-stop community center providing families access to a wide variety of services from CSS and its key partners including a food pantry, secondhand thrift store, intervention classes (anger management, parenting, domestic violence), and addiction healing ministry for families.

“When the pandemic first hit our state in March 2020, we weren’t really in pandemic mode yet.” said Barbara McKenzie, Regional Director. “One afternoon we got an upsurge of people for food and it wasn’t a normal food pantry day. We gave out 300 bags of food and from that point forward we began to realize that this was a serious problem. People are panicking and our food pantry numbers began soaring.” Dan Kurth, VP of Grants and Community Impact at The Catholic Foundation reached out and asked how the Foundation could help. Barb’s response was money. They needed money to restock the food pantry in order to keep up with the high demand of requests. When schools closed and children were no longer receiving breakfast and lunch at school, the center saw a large increase in the number of families served. In the first quarter alone, they served 4,542 people compared to 2,892 people in the first quarter of 2019.

The largest grant from the Catholic Emergency Response Fund, totaling \$16,000, went to the St. Francis Center. This was essential as it became the only remaining pantry open in the Ohio River city of 20,000 people when the virus hit. McKenzie said, “Had the Foundation not stepped up and come to us, we don’t know what we would have done. At

that point all the other food pantries in the area shut down. We have remained open and we have never had to shut down. People were so thankful as we were helping more families than ever.”

The St. Francis Center partners with other community organizations and businesses such as American Electric Power (AEP) to help families and individuals pay their utility bills. Through the partnership with AEP’s Neighbor to Neighbor program, the Center was able to provide financial utility assistance to 86 families. This has been critical to keeping families together and in their own homes as many people would have to be split up, staying with friends or other family members. The Center also helps families with providing diapers and personal hygiene items that are not covered with food SNAP dollars and when not in pandemic mode they offer intervention education programs, including classes on domestic violence, anger management, and parenting education.

Barb said that working with the Foundation has been wonderful. “The loss of steel mills and shoe factories in the 60’s hit our area hard and it hasn’t really recovered. Additionally, the opioid crisis has hit our area especially hard because there are no job opportunities. Fast food is all you can get, and you can’t support a family on minimum wage. Dan Kurth has taken the time to understand our area and the struggles we face. He is always asking how can the Foundation help?”

If you would like more information on how you can help the St. Francis Center, contact Scott Hartman at 614-443-8893 or shartman@catholic-foundation.org.

“Five years ago, when we moved into the vacant monastery in Portsmouth, we believed that this building would not only be a sign of hope and encouragement for people in some of their most vulnerable moments, but it would also be a sign of unity for the Church. Now, in service to thousands of people each year, that hope has been realized”,

said Rachel Lustig, President and CEO of Catholic Social Services and

“in order to carry this hope forward in a sustainable and increased capacity, we needed to make a strategic investment, and The Catholic Foundation was there to help.”

Christ the King Church

**Together We Build His Kingdom:
PRAYER, JUSTICE, MERCY**
**We invite all to join in our parish family
through liturgy, prayer, and works of
justice and mercy.**
**Inspired by the Holy Spirit, we share the
Gospel of Jesus Christ.**
**Christ the King Church, rich in diversity,
strives to build the Kingdom of God.**

Fr. David Schalk serves as Pastor at Christ the King Catholic Church, located on Livingston Avenue in Columbus, Ohio. Christ the King Church is rich in diversity and strives to build the Kingdom of God, sharing the Gospel of Jesus Christ through liturgy, prayer, and works of justice and mercy. Christ the King is blessed with many immigrant families in its parish, and many of its parishioners work in the service or hospitality industry. Those industries were hit hard by the recent pandemic. As a result, many of Christ the King's parishioners lost their jobs and were finding it hard to make ends meet, to pay their rent, or even to buy food.

In response to the pandemic, Dan Kurth, VP of Grants and Community Impact at The Catholic Foundation had reached out to the parishes in our Diocese and asked how the Foundation could help, specifically highlighting the newly created Catholic Emergency Response Fund. Fr. Schalk responded, and worked with The Catholic Foundation to secure a grant to meet the needs of Christ the King's parishioners. As Fr. Schalk explained, "I saw this grant to our parish from the Catholic Emergency Response Fund as the Foundation's commitment to

the poor in our community. This was The Catholic Foundation saying we are concerned with the marginalized and those on the peripheries, as Pope Francis likes to say. That was very encouraging to me. They are putting their money where their mouth is and if there was ever a time to lift up our neighbors in need, it is during the pandemic."

As one example, the Foundation grant helped a family that is very close to the parish. The wife was cleaning hotels when the pandemic hit and was laid off for a period of time when the state went on lockdown. At the same time, the husband was working in construction, and the company had everyone quarantine early on in March. Using the Foundation grant, Christ the King was able to pay the family's rent for one month, which enabled them to stay in their home. The family viewed this as a sign of God's faithfulness, telling Fr. Schalk that they had prayed, and God provided.

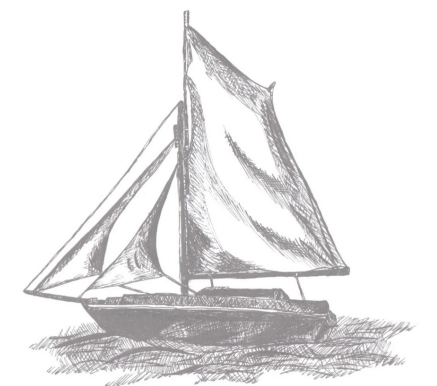

Another Christ the King family had children in the Church's school and, after the pandemic hit, asked the church for a refund on their preschool payment. After

talking with the family, Fr. Schalk learned that they made the refund request because they needed the money now for living expenses. It turned out that both parents were restaurant workers affected by the numerous shutdowns. Not only was the Church able to refund the family's money, but they were able to use the Foundation grant to help them financially in other ways. Father Schalk said, "These are the people who were and are continuously hit the hardest. They are the ones that have the hardest time recovering and staying on their feet. If you are vulnerable in everyday living, the pandemic put that pressure on even more."

Not only did the grant from the Foundation directly help those in the parish, but it also inspired generous giving from the parishioners themselves. One individual gave a generous donation to help start the parish's own emergency fund for current and future emergency needs. "I felt empowered and confident that we could assist folks in a variety of ways. Not just spiritually, but also financially. The work of the Foundation really jump started that giving," said Fr. Schalk. "The gesture of the grant was encouraging and inspiring. How are we going to come

together and make sure that people aren't left behind? The spirit that was behind it motivated me and lifted me up."

DOMINICAN SISTERS OF PEACE

The Dominican Sisters of Peace are vowed Catholic Sisters who strive to live a life of peace-making wherever they are and in everything they do. They share this commitment with Dominican Associates who are lay women and men dedicated to a Dominican way of life, which is predicated on prayer, community, ministry and study. Together, the Dominican Sisters and the Dominican Associates follow the Gospel and the tradition of the Roman Catholic Church and work to build a more peaceful world through their ministries, their prayer and their way of life.

Helping those discerning God's call to the religious life is one of the most important ministries for the Sisters. The Sisters established a House of Welcome in 2013 in New Haven Connecticut to host women who have begun the discernment process with the Dominican Sisters of Peace and have been invited to spend a week or two living with the Sisters to experience their daily life in community, prayer, and ministries. These experiences have proven invaluable to discerners because they offer a view of the Sisters' life from the inside. In 2018, after noticing that more women were expressing interest in religious life, the Sisters opened a second House of Welcome in the Columbus area.

Nashville native, Annie Killian, is a current canonical novice. She received her bachelor's and doctorate at Yale University and her master's at University of Oxford before becoming a candidate in June. Annie said, "Living in the House of Welcome has been a formative experience for me as I begin the adventure of religious life. Our intercultural community witnesses to the unity of the human family. God desires that we may all be one in Christ. Our human family is a global reality. We are called to foster these global connections as we seek to preach the Gospel for our world today."

As with most businesses, organizations, and ministries, the Dominican Sisters have had their share of challenges when dealing with the pandemic. The main priority has been staying connected with the women who are in discernment. To help them achieve that goal, the Catholic Foundation provided the Dominican Sisters of Peace with a grant for the purchase of technology, including a video camera, television, microphone, and tripod. Sr. Bea Tiboldi, OP, one of the Vocations Ministers, said "Just one example of how we were able to use the grant was for what we call an Immersion Week, which is a concentrated time to focus on the questions women have about becoming a Dominican and includes time for service and prayer. It's usually a hands-on opportunity to see what the Sisters do. We can't do that in person because of COVID. However, because of the equipment we were able to purchase from the grant, we were able to do that virtually and 'zoomed' with women from all over, including women from Nigeria, Kansas, Kentucky, and Arizona."

If you or someone you know is interested in attending a retreat please contact Sr. Pat Dual, OP, Director of Formation, info@oppeace.org.

The Sisters have also used the equipment for virtual prayer meetings. Sr. Pat Dual, OP, Director of Formation, says "Prayer is at the heart of our life. Personal prayer is where a woman hears the Holy Spirit talking to her. God needs to be the center of our lives and the deepening of prayer is so important. No matter what path a woman chooses, whether married, religious, or single- prayer is still at the heart of it."

Prioress, Sr. Patricia Twohill, OP said, "In every age God raises up individuals who are called to serve the Church and one very vibrant way to do that is as a religious Sister. There are any number of individuals who are seriously considering that call and our Church will benefit from that. We are very grateful for the support of The Catholic Foundation as it takes a village- it takes all people in our Catholic community to support those called to religious life."

ST. JOSEPH CATHEDRAL BACKDOOR MINISTRY

Every day, since the late 1970s, food has been handed out in the alley behind St. Joseph's Cathedral in downtown Columbus, Ohio. These efforts are part of what is called the Backdoor Ministry and is primarily managed and overseen by Phil Renico, staff member of the Cathedral. The Backdoor Ministry helps feed the homeless and poor with bags of food containing a bottle of water, sandwich, a piece of fruit (either an apple, orange or banana) and a snack. During the winter season they provide knit hats, gloves, and socks. All items are purchased, divided, bagged, and handed out by Phil and other staff.

Backdoor Ministry relies heavily on volunteers and on donations made during Sunday masses to the church poor box. Additionally, the ministry has come to rely on The Catholic Foundation providing a yearly grant to help supplement these costs. Robert J. Kitsmiller, Cathedral Rector and Judicial Vicar and Judge of the Diocesan Tribunal, said "The grant we receive every year typically provides 30-40% of the costs and the rest is made up of private donations. This is incredibly helpful as it allows us to give all day lunch, every day. We have experienced a 7.8% growth in the number of meals provided as compared to previous years. It has been difficult to keep up with this increased demand and cost. We look to The Catholic Foundation for support so that we can continue this very important and essential ministry."

It is no surprise that Backdoor Ministry was also affected by the pandemic experienced in 2020 with an influx of individuals requesting food. "In March we had 2,484 people receive bagged lunches and in April there were 3,079. Not only were we seeing our 'regulars' we were also seeing a fair amount of new people from further parts of the Columbus area because a lot of soup kitchens shut down and were not bringing people in for hot meals. Since we were providing a bagged lunch we were able to stay open and didn't need to shut down, while making sure we took the necessary precautions of wearing masks and sanitizing." said Renico. Having this grant money, especially since the pandemic has negatively hit the collection poor box, has enabled the Backdoor Ministry to continue serving those most vulnerable and in need in our community. "People are grateful and thankful for the resources being offered" said Kitsmiller.

If you would like to support the Cathedral's Backdoor Ministry you can give online by visiting <https://saintjosephcathedral.org> or you can also give through your Donor Advised Fund by selecting Diocese of Columbus and the Purpose would be Backdoor Ministry.

Principal Caton's vision of beginning a preschool program is exactly what we need in our Diocese at this time in our history."

DAN KURTH,
VP OF GRANTS AND
COMMUNITY IMPACT

BLESSED SACRAMENT SCHOOL

Blessed Sacrament School, Newark, Ohio, is a Catholic, Christ-centered community whose mission is to educate the whole child—body, mind, and soul—in order to form life-long disciples of Christ who love the Truth, practice the Faith, and live virtuous lives. In the 2020 Responsive Grants cycle, The Catholic Foundation gave Blessed Sacrament a \$7,800 grant to go towards the opening of a new preschool for the 2020-21 school year. The preschool is a mixed-age classroom of 3 to 5-year olds with a play-based curriculum and faith-based approach and is designed and set up to accommodate 24 students. Principal Joshua Caton said, “The grant allowed us to offset some of the startup costs such as tables, chairs, sensory needs, toys, dramatic play toys, etc. It’s a large and great space that we can really grow into. We didn’t have those things and it would have been a challenge to furnish those items without the help of the Foundation. It’s a dream come true to have a preschool here and we are thrilled to see what the future has in store for us.”

Principal Caton also mentions that a trend of small kindergarten classes recently has left enrollment below 150 students for the first time in several years. “We have also observed several instances where our own parish families or alumni, forced to enroll their children in other preschools without a program here, have not returned to Blessed Sacrament for K - 8 education. By introducing new families to our school and parish community through preschool, and by offering preschool services to both our parishioners and existing school families, we hope to increase kindergarten class sizes, student retention rates, and our overall enrollment.”

During the last school year, 75% of families who visited the school ultimately chose to enroll at Blessed Sacrament, including three families of kindergarten students. Therefore, it is their belief that by inviting new families to experience their joyful, faith-filled community through preschool, they will have a positive effect on enrollment. A preschool can also be the means to invite new families into our Catholic church.

“We are very happy to be able to play a small part in helping Blessed Sacrament School start up their preschool program. Watching little ones learn the Catholic Faith through our schools is one of the greatest sources of joy I have at The Catholic Foundation. Principal Caton’s vision of beginning a preschool program is exactly what we need in our Diocese at this time in our history. We are very excited to see how Blessed Sacrament passes on the flame of our Faith to future generations.” said Dan Kurth, VP of Grants and Community Impact.

HOLY REDEEMER CHURCH

A little technology can go a long way. At least that is the case for Holy Redeemer Church in Portsmouth, Ohio. In the 2020 Responsive Grants cycle, The Catholic Foundation gave Holy Redeemer a grant to help fund the installation of an automated smart system for the HVAC in the church and office center. The project included the installation of 5 Carrier RTUM controllers, 5 ZS Pro remote room sensors, LCD displays and communication, program controllers for proper operations, the running of communication wire, the set up of i-Vu for Alarm notifications, and on-site training.

The improvements funded by this grant allow the priests and staff to control building temperatures remotely, leading to energy efficiency savings and freeing up time to better serve the parishioners. Father Joe Yokum, Pastor, said “Due to only having two priests covering all four parishes in the consortium, time and energy is precious. These safety and energy efficient capabilities allows us to manage our equipment in all our buildings from anywhere we want. I can control the lighting and alarm system from anywhere – which is very handy when trying to cut down on time and energy costs.”

Additionally, the grant included funding to run new tech lines to increase WiFi capability. Now, the church itself has WiFi capability, which enables ministries like the music department to access music online and for the parish to livestream mass and other events. Live streaming has been particularly important during the pandemic, because churches have been closed or have limited in-person access. Live streaming mass has been integral to keeping the parish thriving and connected during these unprecedented times. Additionally, WiFi allows the church to get creative with engaging their parishioners, and the church has introduced a live-streamed Wednesday-afternoon cooking show called “Cooking with Fr. Joe”. “This is a great way to connect with the community and offers parishioners a way to see us in a different light. It’s less formal and it’s a really cool and exciting thing. I also envision this to be a permanent change because live streaming is our future; it’s not going anywhere anytime soon.” said Father Yokum.

“ This a great way to connect with the community and offers parishioners a way to see us in a different light. ”

FR. YOKUM, PASTOR

Yokum said, “Working with the Foundation was very easy. We are quite a distance from downtown so most communication is through email and phone. The Foundation provides us with opportunities that we wouldn’t be able to find on our own. This smart system alone was almost \$25,000 and we received \$21,200 from the Foundation - we would have never been able to do that on our own. These projects are necessary for parishes like ours and we have already seen energy cost savings. In three years, it will pay for it itself. We are very grateful for those who give to the Foundation.”

FOUNDERS CLUB

In 1990 the Board of Trustees launched a campaign to fund an endowment to finance the operations of The Catholic Foundation. The following Catholic families fulfilled leadership pledges of \$10,000 or more to this initiative. These Founders played a critical role in the Foundation's mission expansion which now includes unrestricted grant-making.

As the Foundation continues to grow, we invite all of our donors to consider a special gift of any size to the Founders Club Endowment Fund. If you are interested in learning more, contact Scott Hartman, VP of Development, at shartman@catholic-foundation.org or 614-443-8893.

ST. MARTHA GIVING CIRCLE THE CATHOLIC FOUNDATION

The St. Martha Giving Circle is an initiative dedicated to bringing Catholic women together to raise awareness and funds for organizations in the Diocese of Columbus. A giving circle by design, The Marthas leverage a pooled fund to have a greater philanthropic impact on the selected organizations. Throughout the year, The Marthas will gather to learn about organizations and their needs, and decide together which projects to financially support. There will also be opportunities to share ideas, serve with one another, grow deeper in our Catholic faith, socialize, and learn about the ongoing needs in our Diocese.

FINANCIAL DISCLOSURES

The Foundation of the Catholic Diocese of Columbus (the Foundation) was incorporated in 1984 and organized as an Ohio non-profit corporation. The Foundation's purpose is to receive gifts and bequests and to dedicate their use primarily for religious, educational and charitable activities in connection with and for the benefit of the Roman Catholic Diocese of Columbus. All authority of the Foundation is vested in and exercised by its Board of Trustees.

ACCOUNTING POLICIES

The financial statements of the Foundation are prepared on the accrual basis of accounting and, accordingly, reflect all significant revenues, expenses, assets, liabilities and net assets of the Foundation. The Foundation is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

AGENCY FUNDS

The Foundation is required to record contributions from donors for the benefit of a specified beneficiary as agency funds. The Foundation is the recipient organization that acts as an agent for a beneficiary if it agrees to solicit assets from potential donors specifically for the beneficiary's use and to distribute those assets or the return from investing those assets to the beneficiary.

INVESTMENT POOLS

The Foundation utilizes common investment pools to manage most of its investments. The earnings from investments (interest and dividends) as well as investment gains and losses of the pools are allocated to the individual fund according to its percentage of ownership of the investment pool.

DISTRIBUTION POLICY

The Foundation's distribution policy is to distribute an amount up to 5% of the average market value over 12 rolling quarters.

ANNUITIES AND CHARITABLE REMAINDER TRUSTS

The Foundation administers various charitable annuity and remainder trust agreements with donors. The arrangements provide for agreed upon distributions over a designated period of time (usually the designated beneficiary's lifetime or a term of years). A liability has been recorded equal to the present value of the estimated future obligation. This obligation amount includes the present value of all anticipated payments to the donors based on their life expectancy or a term of years. The Foundation revalues this liability annually.

TAX STATUS

The Foundation is a publicly supported charitable organization that is exempt from federal and state taxes under section 501(c)(3) of the Internal Revenue Code.

AUDITED FINANCIAL STATEMENTS

Audited financial statements are available upon request.

THE FOUNDATION PRAYER

Heavenly Father, giver of all good things we praise and we thank you for your many gifts to us, especially the gift of new life that we have through your Son,

Jesus Christ. We ask you, through the power of the Holy Spirit, to continue to stir up in us lively sentiments of gratitude, and enlighten our hearts and minds that we may share your many benefits to us with all those in any need. We pray this through the same Christ, our Lord. Amen.

BISHOP FREDERICK F. CAMPBELL, D.D., PH.D.
